

Hotel Badge and Hotel Car Sticker FAQs

Please note that Hotel Badges and Hotel Car Stickers are not managed by the Forum.

Frequently asked questions

What are Hotel Badges and what type of access do they provide?

Hotel Badges grant access to secured hotels and are requested directly through the secured hotels (issued by the police at Altes Postzentrum, Bahnhofstrasse 3, 7270 Davos-Platz). They grant access for executives and staff that have an event or meeting at one of the secured hotels, and therefore need to access the hotel.

Please note that an executive holding a World Economic Forum provided badge has access to all secured hotels, therefore does not need a Hotel Badge.

To request a hotel badge please contact the hotels directly providing a rationale for the request. Please note that the hotel may refuse your request if you do not have a reason to enter the hotel. Therefore, we kindly ask you to request a Hotel Badge or Car Sticker only if you have a reason to enter the hotel (ie. are a guest, holding a meeting or are invited to an event).

Secured hotel contacts:

- AlpenGold Hotel Davos: wef@alpengoldhotel.com please contact only via e-mail
- Precise Tale Seehof Davos: reservation@seehofdavos.ch please contact only via e-mail
- Hilton Garden Inn Davos: davos.info@hilton.com Ms. Jessica Piercy Telephone: +41 (0)81 414 55 55
- Steigenberger Grandhotel Belvédère: event@davos.steigenberger.ch Telephone: +41 (0) 81 415 60 00

Are Hotel Badges also known as Affiliate Badges?

No, Hotel Badges are not related to Affiliate Badges (former Delegation Hotel Badges) provided by the Forum for your senior executives. Please review the [Affiliate Badge guidelines](#) on TopLink for detailed information.

What are Hotel Car Stickers?

Hotel car stickers grant access to vehicles for the AlpenGold Hotel Davos and Precise Tale Seehof Davos hotels. Drivers also need to request a hotel badge. These are to be requested through the above mentioned hotels.

The hotel car stickers give access only to secured hotels and not to other areas of the secure zone. To access the secure zone near the Congress Centre, a CC (Congress Centre) car sticker is needed (available only to Strategic Partners and Public Figures).

Please find detailed information on Car Stickers in the [Security and Safety document](#).

Hotel Car Stickers contacts:

- AlpenGold Hotel Davos: wef@alpengoldhotel.com
- Precise Tale Seehof Davos: reservation@seehofdavos.ch

Does the Hotel Car Sticker grant access to the secure zone to drop off an executive?

No, the Hotel Car Sticker only grants access for the vehicle to the two secured hotels listed that require the car sticker.

Where is the nearest drop off location closest to the Congress Centre?

Access by car is granted up until the start of the [security zone](#). The nearest drop off and pick up is the Symond underground Parking. Please note that in Davos, walking is often the fastest option, and alternately there are on-site shuttles available for your executives. View [on-site transport options](#).

Is a Hotel Badge or Hotel Car sticker needed for each secured hotel?

No, a hotel car sticker or hotel badge requested at one secured hotel will also grant access to other secured hotels.

IMPORTANT: The Steigenberger Grandhotel Belvédère is a hotel with security measures defined and managed by the hotel management. It requires a badge (either World Economic Annual Meeting Forum badge, including Affiliate badges, or a Hotel Badge) to enter, car stickers are not required.
