WHO WE ARE

Executive protection *since 2015.*

XS International is the risk management and secure transportation line of Par Excellence Group GmbH, Zug. Our bodyguard drivers protect business leaders, families and VIP guests – in the car and on foot. Member of XO Private.

2015
Founded as Xtreme Security – executive protection and secure travel

OUR DRIVERS

- Close protection and defensive driving.
- First aid, fire response and childcare training.
- Members of the International Security Driver Association (ISDA).

Our team

OUR SPECIALITY – WHY WE ARE DIFFERENT

Two in one: *the bodyguard driver.*

Our bodyguard driver drives your guest – and the moment the guest steps out of the car, the same person is the protection officer on foot: at the meeting, the hotel, the dinner. On the road, the only person who can help is the driver – so the driver must be a protection officer.

OTHERS: TWO PEOPLE, TWO COMPANIES

- A limousine company drives.
- A security company protects.
- A handover at every door – two teams to brief, two invoices.

XS: ONE PERSON, ONE TEAM

- One bodyguard driver – in the car and on foot.
- Plans the route, drives, secures arrival and departure.
- One team, one contact, one invoice.

The bodyguard driver – ready to protect on foot

OUR SPECIALITY – YOUR BRAND ON OUR CARS

Your logo on our cars – *your own fleet.*

We put your logo on our cars with removable magnetic stickers. In front of your guests, your hotel, jet charter, yacht company or family office appears with its own fleet and its own security team – without buying a single car, employing a single driver or insuring a single vehicle.

HOW IT WORKS

- Your logo on our car – on and off in minutes.
- Your guest recognizes “their” car at once.
- Billing goes to your account – the guest never pays.

WHAT YOU GET

- Your own branded fleet – no purchase, no staff.
- One brand from the jet or yacht to the hotel.
- Stickers made and fitted by us, free of charge.

Morley Yachts – the logo on our V-Class at the superyacht

YOUR BRAND – FOR EVERY CLIENT

Your name on the car. *Our people behind the wheel.*

Partners so far: Morley Yachts, Royal Yacht International, Excellent Air and Yachting Pages. Every client shows its brand in its own way – or not at all.

LUXURY HOTELS

Your hotel's logo on the arrivals car – the guest is met by "the hotel's car".

JET AND YACHT CHARTER

Your logo at the terminal and the marina – one brand from the aircraft or yacht to the hotel.

FAMILY OFFICES

Unmarked cars, no logo – full discretion for the family.

CORPORATIONS AND EVENTS

Your company sign on every car – delegations find their car at once at the airport and the hotel.
